Dear East Islip REDMEN Fans and Supporters,

As we continue our support of one of the finest and most respected athletic programs on Long Island, we offer this golf outing as a way for everyone to get involved.

We are hosting the 15th Annual Redmen Golf Outing at Timber Point Country Club, Great River on July 13, 2017 and invite you to participate. We will be honoring Ray Gremaux and Superintendent John Dolan for their many contributions toward the EI Athletic Programs. We request your support and hope you will get involved as a participant, golf sponsor, contributor or dinner guest. It'll be a great day of golfing and dining while helping raise funds for the student-athletes of our school district. We need and appreciate your support!

At this time, we are registering event sponsors and foursomes. To insure a smooth and enjoyable round of golf, we will cap registration at 216 golfers. Please take a moment to sponsorship and/or registration and mail to: EIABC, PO Box 398, East Islip, NY 11730. For additional information, please feel free to contact us.

We look forward to a terrific day! All East Islip student-athletes & coaches thank you in advance for your support.
